

MESSAGE OF THE WEEK

SIEDC is announcing three very exciting career opportunities at the organization.

Economic Development Sr. Project Manager

SIEDC is seeking to fill a Senior Project Manager position. This role oversees and is accountable for all aspects of planning, managing and implementing high profile projects such as the SI 2020 Action Plan, Brownfield redevelopment initiatives, and other economic development projects. This position requires at least three years of relevant work experience and preferably a master's degree.

Administrative Assistant

SIEDC is seeking an experienced top-notch Administrative Assistant to provide general administrative support to the President & CEO and to the Senior Vice President. One year relevant work experience required and college degree preferred.

Grant-writing Consultant

SIEDC is seeking a Grant-writer on a consultant basis. The Grant-writer will work with SIEDC staff to secure Foundation, Corporate and Public Agency grants as well as event sponsorship.

Please visit SIEDC's website for more details on all these opportunities, at www.siedc.net
